# MY EXPERIENCE IN TECH FIELD

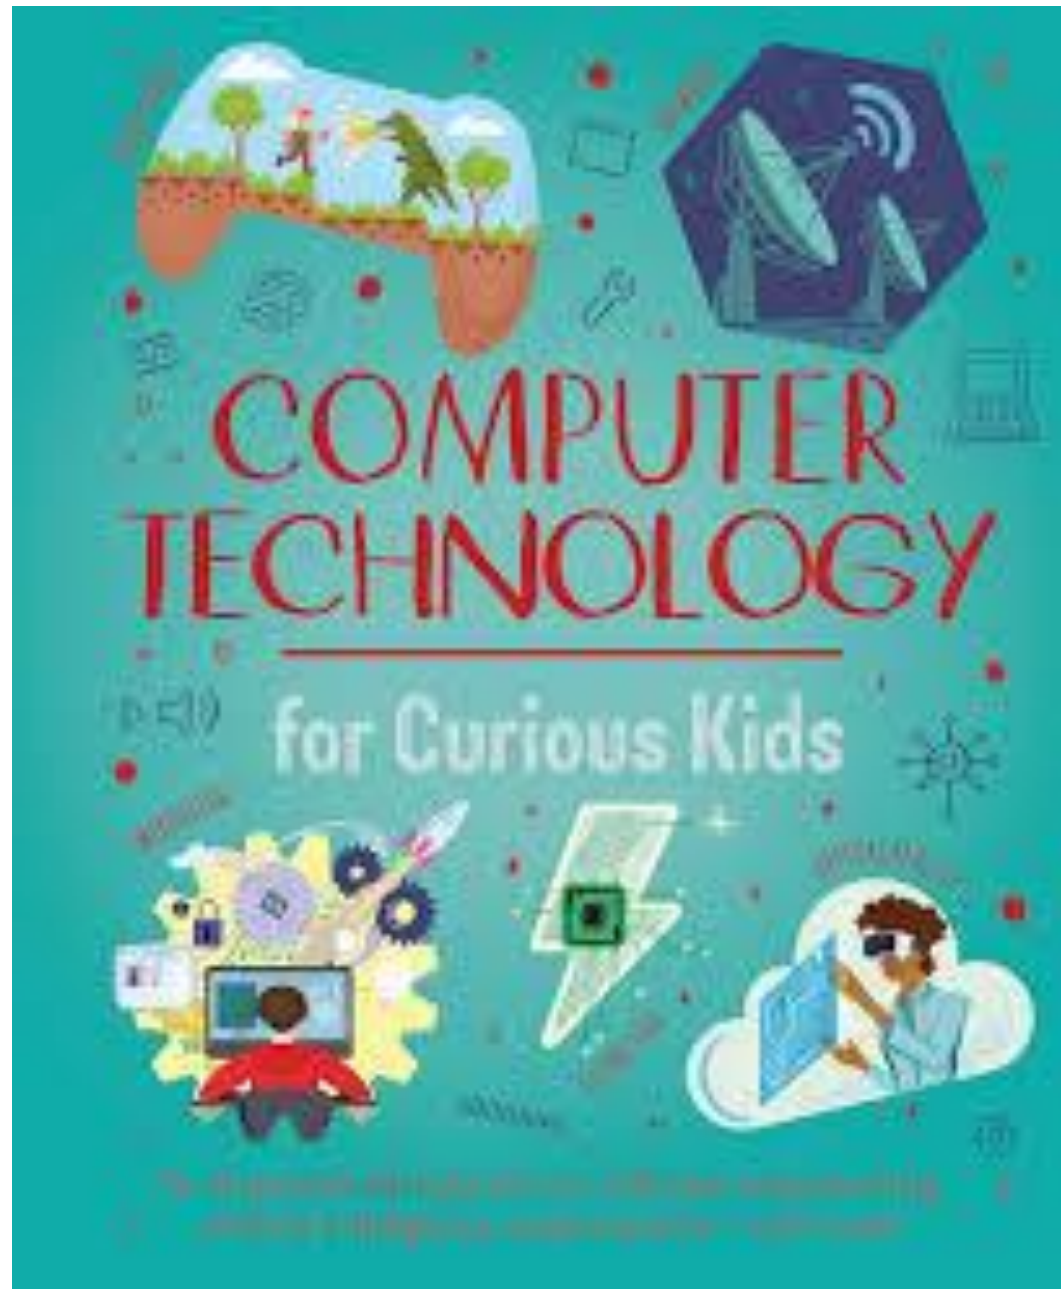

**2023/11/12 → 2025/8/23**

# ABOUT ME

I WAS JUST A CURIOUS BOY WHO HAD VERY MUCH INTEREST IN THIS COMPUTER THINGS. IN CHILD I ALWAYS USED TO THINK HOW GAMES ARE MADE WHN I PLAY IT AND TRY TO WATCH VIDEOS AND TRY TO CREATE WITH JUST A PHONE.

THEN SUDEENLY A VIDEO APPEARS IN MY YT FEED WHN I WAS IN 8TH GRADE

# ABOUT ME

It was about HTML then I watch it and learned html and css and build some website using it and learn its responsiveness and designing.

And bit about ui/ux also.

I was just curious and rly want to know more so I just keep searching and exploring thing of tech for few month in that time.

# ABOUT ME

**Then I knew there is something called website developer. And research about it.**

**And started to learn it.**

**I watch javascript course and at mid of it it was hard so I quit and after month I got back to learn It this time more focus then I just learn javascript within few month around ¾ month cuz I also did logic building and projects.**
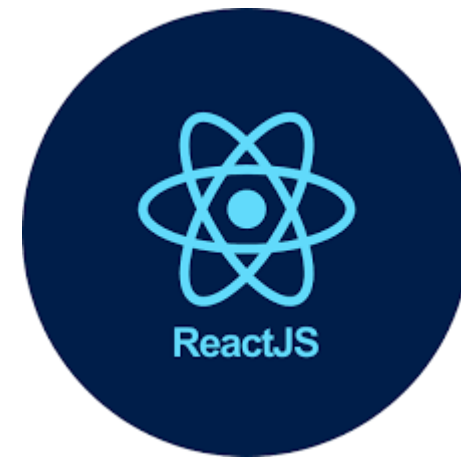

# ABOUT ME

Then BOOTSTRAP, TAILWIND AND REACT JS.

AFTER IT I BUILD SOME WEBSITE WHILE EATCHING TUTORIAL AND FEW BUILD MYSELF FULLSTACK WEB.

WHILE THIS I ALSO KEEP EXPLORING TECH. AND ALSO LEARNED GIT/GOTHUB AND WEB HOSTING.

# ABOUT ME

**THEN I DID BACKEND:**

**LEARNED** NODE JS , EXPRESS JS, MONGOOSE DATABASE

**AND DID SOME PRACICE AND ALSO** API **AND INTEGRATE WITH FRONTEND AND BUILD** FULLSTACK WEBSITE'S

# ABOUT ME

TO LEARN THIS FULLSTACK WEB DEV IT TOOK ME AROUND 1.5 YR CUZ

IN THIS TIME I ALSO KNEW WEB SECUIRTY, WEB ATTACKS AND TRIED FREELANCING (FAILED)

AND TRY TO WORK IN MY IDEAS (FAILED CUZ NO MARKETTING)

TRIED TO GET ADSENSE APPROVAL (REJECTED MANY TIMES)

# WEB PROJECTS

1) **ITXSAHIL**

2) **ANIME SITE**

3) **QR GEN**

4) **NEWS BOY**

5) **NEP CART**

6) **PUSTAK HUB**

7) **WEB NEX**

8) **MORE 5-6**

InterviewBit

# ABOUT ME

**AND THEN I STARTED HACKING**

**I LEARNED KALI LINUX, NETWORKING, AND DID HACKING COURSE AND ALSO LEARN CEH V13 COURSE.**

**THEN DID SOME ATTACKS AND STILL THERE IS SO MANY ATTACK TO DO WHICH ARE PENDING**

# ABOUT ME

**THEN I STARTED LEARNING PYTHON AND DID AI/ML BUT QUIT AI/ML.**

**BUT FINISH LEARNING PYTHON**

**I BUILD SO MANY PYTHON PROJECTS LIKE:**

# ABOUT ME

1. **FACE DETECTION**

2. **ITEM DETECTER**

3. **JARVIS MINI AI**

4. **SCREENSHOT SOFTWARE**

5. **Internet Speed Checker**

6. **Typing Speed checker**

7. **Automation projects**

8. **Hacking Tools**

**Many more you can see it in my yt**

# ABOUT ME

WHILE LEARNING THIS ALL TECH THINGS.

I ALSO FOCUS AND GAVE MY TIME WATCHING TECH RELATED VIDEOS AND

PODCAST, VIDEOS, EXPERIENCE, READ SELF HELP BOOKS, FOUNDER'S STORY

TO BUILD A STRONG MINDSET

SO I CAN ALSO START MY OWN TECH COMPANY IN FUTURE FOR SURE.

# ABOUT ME

**THIS IS THE PLAYLIST I CREATED WHERE I ADD ALL VIDEOS I WATCHD**

To improve my mindset and to know about business, successful people experience, about tech things, self help books summary and many more.

Over 57+ videos I watched in just 1 to 2 month of improving mindset - 8/14/2025

# MY FUTURE GOALS

## Digital Marketting

Want to learn Digital Marketting so I can promote my services efficiently and smartly to boost sales

## Tech Services

Selling tech based services like selling website or software to businesses or launching own tech product solving real issue

## Connection

Connecting with people with same vision and mindset like me so we can work together as a team so we can GROW more

# MY FUTURE GOALS

## Real Estate smartly

I have got few smart ways to gain huge profit in this business that's why I choose it. (not interested to tell others)

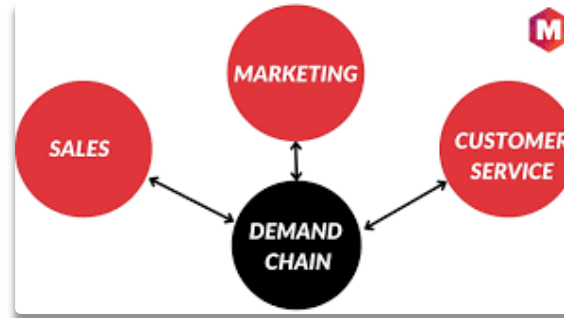

## Demand & Supply chain

Building a chain of services by solving and figuring the demand and building it there

I HAVE DONE RESEARCH IN THIS TOPIC AND STILL DOING

# FEW PAGES OF MY DIARY

# THANKS FOR WATCHING BYE BYE
